# Wireless 2D Barcode Scanner Laser with Stand - BS220

- Wireless 2D barcode scanner with laser scanning, includes a stand for hands-free scanning.
- Wireless connectivity for flexibility and mobility
- Laser scanning for reliable and fast barcode reading
- Comes with a stand for easy hands-free scanning
- Ideal for retail, warehouse, and logistics operations

Specifications

Interface	USB(Drive-Free), USB-COM, RS232
Image sensor	640 x 480 pixels
Resolution maximum	0.102mm / 4mils
Reading Indicators	LED light & Buzzer

Ambient light	Indoor - 0 to 6000 lux Outdoor - 0 to 86000 lux
Connectivity	Wired & 2.4Ghz Wireless(up to 100m)
Cable Length	1.6m
Voltage	DC5V(+10%)
Error code rate	1/1000000
Battery capacity	2000mAh
Current	Standby current 35mA; Working current 270mA
Trigger life	1 million times
Sensor	CMOS
Product	Height : 180mm, Length : 70mm, Width : 120mm, Weight : 200g
